

INDIANA UNIVERSITY

ADVANCE COLLEGE PROJECT

Are you taking ACP classes?

Have you set up your IU Email address?

This MUST be completed by October 19th!

To set up your IU email/username

You will need your IU ID#. You can find your IU ID# on the signature application form.

If your IU ID# does not appear on the signature application form:

Log into ACP application site after September 30 (<http://acp.indiana.edu/student>)

For "Semester" select "Personal Information"

Your IU Student ID# will be on the screen in the personal information section

Once you have your IU ID#

Go to <http://itaccounts.iu.edu> and choose "Create my first IU computing accounts"

Enter the requested information and then click "continue".

Follow the prompts on the screen to create your IU Email address.

Contact the IU IT Help Desk 812-855-6789 for assistance with this process.
