**TEXT MESSAGES
ONLY TO CELLS**

Student H drive:

- Go to the Lawrence Central website <http://lawrencecentral.ltschools.org>
- Log onto *LTO* using your school logon name and password.
- Click the tab labeled **E-locker**. Here is where all your **H drive** files are stored.
- *Right* mouse click the desired file and download to your computer.
- Edit as needed. Save file.
- Upload file back to your E-locker so you will have your updated file on your H drive.

Webgrades:

- Log onto *LTO*.
- Click this icon:
- On the next screen, type in your *Skyward* logon name and password.
- You may want to bookmark this page to access your webgrades faster next time.
- You may also access your webgrades from the home page of **ChemCentral**.

Access to the Glencoe Chemistry textbook online:

- Each chapter of your book is posted online. Go to the home page of the ChemCentral website and click

one of the Core Standards. The book link has this icon at the bottom of the page:

Calculator:

- Scientific calculator only (example: TI-30Xa Solar or TI-30X II Solar or similar)
- NO graphing calculators.
